RE: Steelcote Facility - St. Louis, Missouri
Docket No. VII-91-H-0025

Dear Ms. Hutchison:

As you know, lead was not detected during the 7th quarter of groundwater sampling and analysis (the results of which were sent to you with the December 1993 status report). Thus, in accordance with paragraph 26c of the AOC, lead has been eliminated from the list of Contaminants of Concern.

Please let me know if you have any questions.

Very truly yours,

Alphonse McMahon
